soggetta a direzione e coordinamento di
 Global ID Inc. - under the direction and
 coordination of Global ID Inc.

Once certified, a producer or handling operation's organic certification continues in effect until surrendered, suspended, or revoked. Status of this certification and specific certified organic products covered may be verified at www.bioagricert.org www.trasparente-check.org. The certificate published on the web are the reference document for any verification

Conditions to put products on the market:

- The "Transaction Document of organic products" (DTPB), which declares the conformity with the reference standard and ensures regular information towards Bioagricert, should always accompany the transactions between controlled operators. If the DTPB is issued after the transaction, the declaration of conformity shall be reported on the sales documents
- Prepacked products can be put on the market only after Bioagricert approves the label and after they are identified with a control code

The certificates and the transactions can be checked via web on www.bioagricert.org and www.trasparente-check.com as indicated on the sites .

The operator is responsible for putting products on the market and for the conformity statements.

The certified part engages itself to remain in full compliance with the term and conditions of the Japanese Agricultural Standard of Organic Agricultural Products (Notification no. 1605 of the Ministry of Agriculture, Forestry and Fisheries of October 27, 2005), Japanese Agricultural Standard of Organic Agricultural Product Processed Foods (Notification no. 1606 of the Ministry of Agriculture, Forestry and Fisheries of October 27, 2005), Japanese Agricultural Standard for Organic Feed (Notification no. 1607 of the Ministry of Agriculture, Forestry and Fisheries of October 27, 2005) and Japanese Agricultural Standard for Organic Livestock Products (Notification no. 1608 of the Ministry of Agriculture, Forestry and Fisheries of October 27, 2005)
